OxfordSaudia Flight Academy Foundation Program – Phase 1

DATE: 16-December 2020

To Whom It May Concern:

As the Administrative Coordinator for the Phase 1 Program at OxfordSaudia Flight Academy, I have had the pleasure of knowing Bill Monroe over the past two (2) years. He has been a tremendous teacher/coordinator and a valuable asset to our academic institute. I would like to take this opportunity to recommend Bill for your company and assure that you will not be disappointed.

I feel confident that he will continue to succeed on his journey to becoming an incredible advocate for education abroad. Mr. Monroe is a dedicated employee not only as a teacher but in leadership roles as well. Bill has been exemplary thus far in all aspects of his current job requirements. In the classroom and outside, he has proven to be a take-charge person who is able to successfully develop effective plans and execute them all. As a coordinator Bill has developed and implement numerous projects that have provided exceptional academic process improvement towards our overall program involving curriculum development. Mr. Monroe is also highly knowledgeable with online virtual training and has been a huge asset with OxfordSaudia technology during the COVID-19 pandemic.

Mr. Monroe has demonstrated leadership in a manner that all students and colleagues enjoy following. He has exceeded our expectations of how a true teacher and mentor should interact and impact our students and staff. Bill has left countless footprints in the lives of many that have had the pleasure of working with him. I have personally witnessed many of these students and staff members take the time to share their comments regarding Bill's pleasant and encouraging proactive attitude.

It is for these reasons that I offer high recommendations for Mr. Bill Monroe without reservation. His drive and abilities will truly be an asset to your establishment. If you have any further questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

Roger A. Heide
Academic/Administrative Head Coordinator
OxfordSaudia Flight Academy
