To Whom It May Concern:

As the Director of International College of Siam Technology College, I have had the pleasure of knowing Mr. William "Bill" D. Monroe, Jr. for the last one year and am pleased to write this letter of recommendation for him. He has been a tremendous part time lecturer for 3 months (March – May, 2015) and an asset to our college. In work, he has proven to be a take-charge person who is able to successfully develop plans and implement them.

Mr. Bill has assisted us in many ways. He has successfully demonstrated leadership ability by counseling new and prospective students. His advices have been a great help to our students as well as to our employees, many of whom have taken time to share their comments with me regarding his pleasant and encouraging attitude.

It is for these reasons that I offer high recommendations for Mr. Bill without reservation. His drive and abilities will truly be an asset to your establishment. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,
